iNaturalist

iNaturalist is an online platform and app that helps you identify and learn about plants and animals, and contribute to scientific research. Everyone is welcome, from complete beginners to professionals.

Getting Started

1 Visit **iNaturalist.org** OR go to app store on your phone. Download **iNaturalist Classic** app.

App Store Icon on iphone or App Store Icon on Android

iNaturalist Classic Icon

2 **Sign Up.**

Sign Up   Login

✉ Email
👤 Username
🔒 Password

Yes, license my content so scientists can use my data.
Learn More

I consent to allow iNaturalist to store and process limited kinds of personal information about me in order to manage my account.
**Learn More**

I consent to allow my personal information to be transferred to the United States of America.

This is an EU requirement since iNat is geographically in the US.

Checking first box is optional. (Though it's great for science and we recommend.) Checking bottom two boxes is required.

3 **Make an Observation.**
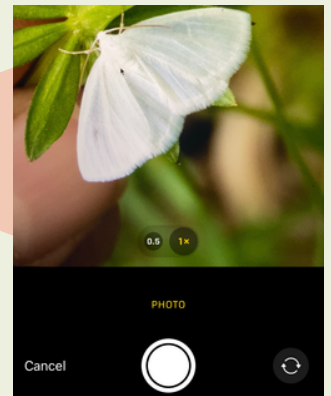

Open the Camera.   Take a photo.

Explore Activity Observe Me Project
